

## Material Safety Data Sheet

"SYNSKIN"

We are providing this MSDS as a courtesy to our customer base and is not required by law. This MSDS may be reproduced, distributed and/or downloaded for the sole permitted use of properly utilizing Jessup Manufacturing Company products, provided that: (1) this MSDS is reproduced in full with no modification, alteration or change without Jessup Manufacturing Company's prior written authorization; and (2) neither the original nor any copy of this MSDS is sold, distributed, communicated or otherwise disseminated for any purpose other than permitted use described above.

This series of products are not regulated under, and a MSDS is not required for this series of products by, the OSHA Hazard Communication Standard (29 CFR 1910.1200) because, when used as recommended under ordinary conditions in accordance with directions provided, such products should not present potential health or safety hazards. However, use or processing of the products not in accordance with the product's recommendations or directions or not under ordinary conditions may affect performance and may present health and safety hazards.

### Section 1: Product & Company Information

**Product Name:** SYNSKIN JM48FIB White Saturated Fiberglass

**Manufacturer:** Jessup Manufacturing Company

POB 366

McHenry, Illinois 60051

Emergency Phone 815-385-6650 business hours

**Issue Date:** 7/1/2011      **Version:** 1.0

**Product Use:** Opaque Film or Sheeting

### Section 2: Composition

<b>Ingredient</b>	<b>C.A.S. No.</b>	<b>% by Wt.</b>
Filament Fiberglass	65997-17-3	30-50
Poly Vinyl Chloride	Trade Secret	30-50
Urea Formaldehyde Binder	9011-05-6	5-10
Antimony Oxide	1309-64-4	<1

### Section 3: Hazards Identification

#### 3.1 Emergency Overview

**Odor, Color, Grade:** Odorless, White, Sheet

**Physical Form:** Solid

**Immediate health, physical, and environmental hazards:** These products, when used under reasonable conditions and in accordance with Jessup's directions for use, should not present a health hazard. However, use or processing of the product in a manner not in accordance with the product's directions for use may affect the performance of the product and may present potential health and safety hazards.

### 3.2 Potential Health Effects

**Summary:** Breathing dust from this product may cause a scratchy throat, congestion, and slight coughing. Getting dust or fibers on the skin or eyes may cause itching, rash, or redness. Breathing excessive dust or fibers from this product may cause respiratory irritation.

**Eye Contact:** No health effects expected.

**Skin Contact:** No health effects expected.

**Inhalation:** No health effects expected.

**Ingestion:** No health effects expected.

**Carcinogenicity:** No health effects expected.

## Section 4: First Aid Measures

**4.1 First Aid Procedures:** The following first aid recommendations are based on an assumption that appropriate personal and industrial hygiene practices are followed.

**Eye Contact:** No need for first aid is anticipated. If irritation occurs, flush with water for 5-15 minutes.

**Skin Contact:** No need for first aid is anticipated. If itching and redness occur, wash gently with warm soapy water. Wash hands after handling material.

**Inhalation:** No need for first aid is anticipated.

**Ingestion:** No need for first aid is anticipated. The product is not intended to be ingested or eaten.

## Section 5: Fire Fighting Measures

### 5.1 Flammable Properties

Auto-ignition temperature	Not Applicable
Flash Point	Not Applicable
Flammable Limits – LEL	Not Applicable
Flammable Limits – UEL	Not Applicable

### 5.2 Extinguishing Media

Ordinary combustible material. Use fire extinguishers with a class A agents (e.g. water, foam).

### 5.3 Protection of Fire Fighters

**Fire fighting procedures:** Fire fighters must wear positive pressure self-contained breathing apparatus (SCBA).

**Unusual Fire and Explosion Hazards:** Not applicable.

## Section 6: Accidental Release Measures

Accidental release measures: Not applicable.

## Section 7: Handling and Storage

**7.1 Handling** – These products are considered to be articles which do not result in exposure to a hazardous chemical under normal use conditions.

**7.2 Storage** – Store under normal warehouse conditions.

## Section 8: Exposure Controls / Personal Protection

**8.1 Engineering Controls** – Not applicable.

### 8.2 Personal Protective Equipment (PPE)

**Eye / Face protection** – Not applicable.

**Skin Protection** – Gloves recommended.

**Respiratory Protection** – Not an expected route of exposure.

**Prevention of Swallowing** – Not an expected route of exposure.

### 8.3 Exposure Guidelines

<u>Ingredient</u>	<u>Authority</u>	<u>Type</u>	<u>Limit</u>	<u>Additional Information</u>
Antimony Oxide	OSHA	TWA	0.5 mg.m3	

Sources:

ACGIH – American Conference of Governmental Industrial Hygienists

OSHA – Occupational Safety and Health Administration

### Section 9: Physical and Chemical Properties

Odor, Color, Grade	Odorless, varies, sheet
General Physical Form	Solid
Autoignition temp.	No data available
Flash Point	Not Applicable
Flammable Limits – LEL	Not Applicable
Flammable Limits – UEL	Not Applicable
Boiling Point	Not Applicable
Density	No data available
Vapor Density	Not Applicable
Vapor Pressure	Not Applicable
Specific Gravity	No data available
pH	Not Applicable
Melting Point	Not Applicable
Solubility in Water	Not Applicable
Evaporation Rate	Not Applicable
Percent Volatile	Not Applicable
Viscosity	Not Applicable

### Section 10: Stability and Reactivity

Stability: Stable

Materials and Conditions to Avoid – None Known.

Hazardous Polymerization – Will not occur.

Hazardous Decomposition By-Products

<u>Substance</u>	<u>Condition</u>
Hydrocarbons	During combustion
Carbon dioxide	During combustion
Carbon monoxide	During Combustion
Toxic vapor/ gas	During combustion

### Section 11: Toxicological Information

Not determined

### Section 12: Ecological Information

Not determined

### Section 13: Disposal Considerations

**Waste Disposal Method:** Dispose of waste product in a sanitary landfill.  
**EPA Hazardous Waste Number (RCRA):** Not regulated

### Section 14: Transport Information

No Hazard.

### Section 15: Regulatory Information

#### US Federal Regulations 311/312 Hazard Categories

Fire Hazard – No      Pressure hazard – No      Reactivity Hazard – No  
Immediate Hazard – No      Delayed Hazard – No

#### State Regulations – California Prop 65 – No Hazard

**Chemical Inventories** – These products are articles as defined by TSCA regulations and are exempt from TSCA inventory listing requirements.

### Section Other Information

**Disclaimer:** The information in this MSDS is believed to be correct as of the date of issue.

**Jessup Manufacturing Company does not make any, and hereby disclaims all, express and implied warranties, including but not limited to, the implied warranties of merchantability and fitness for any particular purpose and any warranty arising from course of performance or usage in the trade or industry.** User is responsible for determining whether the Jessup Manufacturing Company product is fit for a particular purpose and suitable for the user's method of use or application. Given the variety of factors that can affect the use and application of a Jessup Manufacturing Company product, some of which are uniquely within the user's knowledge and control, it is essential that the user evaluate the Jessup Manufacturing Company product and make their own determination whether such product is fit for a particular purpose and suitable for the user's method of use or application.

Jessup Manufacturing Company shall not be liable, and its customers and users of its products hereby waive and release any and all claims against Jessup Manufacturing Company, for any incidental, consequential, special, exemplary or punitive damages. Jessup Manufacturing Company's maximum liability to a customer or a user of its product shall not exceed the purchase price for such product.

Jessup Manufacturing Company provides information in electronic format as a service to its customers. Due to the remote possibility that electronic transmission may have resulted in errors, omissions or alterations to this information, Jessup Manufacturing Company make no representation as to completeness or accuracy of such information. In addition, information obtained from a database may not be as current as the information contained in the MSDS then available directly from Jessup Manufacturing Company.
